NOVEMBER 1999

JOY'S JOURNAL

As this installment is being written, October is exiting with our first real "Cold Snap" of the season, causing me great anticipation that Ski Season is almost upon us. We had a very interesting and informative program at the October meeting, a super outing to Hickory Knob this month, and a ton of fun "roasting" Herb at the Mini-social (including another rendition of "Herb's March"). We wish Herb and Dagmar well on their adventure to Aspen this winter, and I hope they know just how much they will be missed.

Our November meeting will be our annual "Wine and Cheese" social to kick off the new ski season (All of us will drink wine and eat cheese - Alison will "whine" and eat cheese). Also, if you want to participate in Roan Mountain weekend, our Trip to Park City, or any of the Crescent Value Ski weekends (also, the same as race weekends), November will probably be your LAST CHANCE to sign-up. Roan Mountain and Park City are almost full, and the deadlines for Crescent weekends are just about NOW!!!

Don't forget, the Mini-social is at Fatz on highway 9 at Boiling Springs on the 17 th. Those going to the Crescent Fall Conference on November 12 and 13 (and those interested) need to get their information to me (Madam Pres.) immediately.

See ya in November.

Program by Tim Corbin

The October meeting was a very informative program by our local sheriff's department regarding everything from home preservation while traveling to getting our son's to pull their darned pants up. As of now, I feel much better about my home than my son's waist line. Thanks, Conni for setting up the program.

The November meeting will be a great meeting unless the sheriff shows up. This will be our annual wine and cheese tasting. I have appointed two experts to purchase and prepare a sumptuous quantity of fine wines and smelly cheeses. Marci says she nose cheeses and will seek out the best. Jeannie, the whine connoisseur, will begin acquiring her favorites and some of those suggested by others. Feel free to call (587-6645) and recommend your favorite, or even better just bring a bottle (or box) to the meeting.

We will also discuss the possibility of putting together a long weekend of golf in Myrtle Beach this winter at some ridiculously low prices. We would be staying at the best hotels and playing the best courses for less than \$50/day. Come hear about this.

We hope to have Jim Cottrell of the French-Swiss Ski College speak to us in December about ski techniques and some of their programs.

Just a reminder

The Ski Club will again this year be collecting toys for underprivileged children at our December meeting. So bring a toy of any type to our December meeting. The toys will be distributed to needy children thorough the Department of Social Services. Every year our efforts are greatly appreciated. What better way to celebrate the holidays than to make the season brighter for a child.

Hickory Knob Weekend by Tim Corbin

The weekend was another success. The accommodations and buffet breakfast were as good as ever. Our rooms were actually better this year. The food and service at Savannah Lakes was great. The golf was great despite a little rain on Sunday. We played two man captain's choice against the Augusta Ski Club on Sunday. Dorman Brock and I played well against their number one team and actually beat them. Jeannie and Debbie (alias Grandma) our "A" Team played beautifully.... despite all of the assistance from their competition.

Thanks Del for organizing the golf. We all had a great time. Giving Augusta the "Trash golf trophy" was brilliant. That should bring them back next year.
