Ted's Corner

Well the weather is turning hot and humid and its time to think about summer. Summer brings to mind swimming pools and fun in the sun. Alison has volunteered to have the next membership meeting at her house with pool so bring your towels and lawn chairs. A good time will be had by all.

The Spring Crescent Ski Council Convention was fun and informative. Lot's of representatives from ski resorts all over the country were there presenting their resorts capabilities and offerings. The parties and the beach games were fun. Thanks to the members that came and participated (Taylor, Marcy, Elke, Pat, Mark and Carol) we were able to attend the meetings and participate in the games. We didn't win but it was fun trying. Next years convention will be in Myrtle Beach. If you haven't been to spring convention you really need to go. It's a lot of fun and you get to meet people (mostly party animals) from all over the Crescent ski area.

Don't forget the Pig Roast will be held on the twenty-seventh, that's this Saturday. It's also my birthday so you can bring presents if you want. We'll have 180 pounds of delicious barbecued pig plus a variety of extras including door prizes and our usual auction. A lot of people have put in a lot of time to make this a winner. We need your support.

MAP TO ALISON'S FOR JUNE MEETING

ASPEN / SNOWMASS
February 3-10, 2001

Our western trip is now set for next year. You will note there has been one change since the last newsletter.

We were able to contract a favorable price for Top of the Village. This is one of the premier ski-in/ski-out accommodations at Snowmass. As you know, Herb & Dagmar Lindsay spent the winter in Snowmass and Herb inspected lodging for us. Herb feels Top of the Village is the best of the ski-in/ski-outs he inspected.

You will find a flier in the newsletter with a signup sheet. Please sign up early. I would urge participants that are using frequent flier points for air travel to make arrangements now. Call me for travel details and other questions.
