APRIL 2001

<http://www.geocities.com/Pipeline/6821>

Since this is my last newsletter as president I would like to thank everyone for the support that you have given me during the past year. I had a wonderful board that spent a lot of their time and effort to making the club successful. I would particularly like to thank Mark and Carol McCall for revitalizing the racing program and getting us back on track. I'm looking forward to another great year for the Ski and Outing Club with Del Haynes as president for the coming year.

April 5th will be our annual installation of officers for next year so don't miss it. It will be the only time during the year that you get to see your fellow ski club members all dressed up. There will also be some special guests from Special Olympics attending.

The election of officers was conducted at the March membership meeting. The nominated slate of officers was elected. No recounts were requested and there were no hanging chads. The following people were elected:

President - Del Haynes

Vice President - Taylor Bomar

Treasurer - Roger Meadows

Secretary - Doug Tinsley

It's not too late to sign up for the scavenger hunt on April 7 if you haven't done so yet. Sounds like a lot of members will be participating and good food will be served following the hunt. Don't miss it. You'd be surprised what Conni and her committee have put on the list to scavenge.

We enjoyed another great mini-social at Hannah Flanagan's in Hendersonville. Where does Alison find all these places? It was a true Irish pub with good beer (it wasn't green) and ethnic food.

Ski season is almost over and summertime is not far away. Don't forget there are many activities planned during the summer months so don't go into hibernation until winter.

MAY 3 MEMBERSHIP MEETING
7:30 At the Arts Center

Bring a covered dish—one you bought or one you prepared—or one your mama prepared for you. No, it's not a church social. It's your chance to let your new board members know what you want them to plan for you next year. Where do you want to hike? What events would you like to attend? Where would you like to go for mini-socials? What sporting events would you like to attend? Plays? Other stuff? Bring new ideas with your covered dish. The club will furnish beverages, paper products, buns, condiments, and grilled boneless chicken breasts.

First Mini-Social Of This Year's Director!

Thought I'd help out the new mini-social director by getting the first one off and running. Let's go to HOPS again on Wednesday, May 16th. Hops is located on East Blackstock Road in Spartanburg (down the road from the Super K-Mart). Hops is known for it's special micro-brews and they have an excellent menu with a good variety available. If the weather is nice, we'll try for the patio seating.

Please sign up at April & May's meeting.

Alison

We had a great turnout at Hannah Flanigan's Sunday, March 18. Sixteen of us enjoyed each others company, and the food was quite good. It's great to see the mini-socials with good turnouts - makes me proud. As my year as mini-social director comes to an end, I would like to thank all those who helped make my job successful by coming out and participating. We have to eat, afterall - so why not do it with some of your good friends!

I would be interested in knowing how the club members rated this year's socials - which were good, which were so-so, and if there were any real bombs. Please take a minute to review the socials from May - March of this past year and let me hear your voice. I will have a sheet at the Piedmont Club for you to rate the socials. If you are not attending the Piedmont Club on April 5 and wish to lend your opinion, feel free to e-mail me at KimballA@msn.com.

Thanks again for a great year!
